

*"Let DLI put the pieces of the puzzle together for your business.
Knowledge is the key that arms employers with the resources to take control of their business."*

DLI Advantage ...

We aren't in competition, we are the competition!
 DLI understands that the success of our business depends upon understanding and satisfying the needs of our clients. DLI focuses on professional integrity, quality personal service, and attention to detail. DLI builds a long term relationship with companies that benefits you, the client, with great service and results. DLI has a team of licensed private investigators available to handle your investigative assignments. DLI proudly stands behind our outstanding investigative resources.

Investigative Assignments ...

We listen to your needs and tailor our investigation to meet your satisfaction!
 Before beginning any assignment, DLI develops detailed objectives with the clients to ensure that all possible fact-finding and research activities are identified. We will communicate with you diligently throughout the investigative process.

Videotaped Documentation ...

The best in surveillance video!
 DLI requires the use of fluid head tripods whenever possible which eliminated any jerkiness or movement of the camera and provides a nice, steady shot of the subject. DLI utilizes covert surveillance equipment. Copies of video are available on VHS or CD Rom.

DLI News & Information

LaSpy.com - DLI's website has been updated recently. Clients can now submit investigative request online.

New Houma Office - In January of 2010, DLI moved to a new Houma office located at 1411 West Tunnel Blvd., Houma, LA. The Houma office phone number is (985) 262-1299.

LPIA Regional Director - Paul Dugas has been named Louisiana Private Investigators Association Region I Director for 2009-2010. Paul is planning the regional continuing education seminar in New Orleans which will feature innovative presentations on computer forensics by Dr. Johnelle Hassel, NCISS and more topics. Paul is also a past LPIA president.

LSBPIE Member at Large - Maria Dugas was appointed by Governor Bobby Jindal to the Louisiana State Board of Private Investigator Examiners as the Member at Large. Maria serves as chairman of the Training and Education Committee for LSBPIE.

New Employees - We're proud to announce that Patricia Constant have joined our firm in 2009. Pat is responsible for organizing and coordinating office operations and procedures to ensure investigative effectiveness and efficiency.

Law School - It is my pleasure to announce that Maria Dugas is attending law school at Loyola University, College of Law in New Orleans, LA. Maria started in the fall of 2009.

Investigative Excellence

Dugas Legal Investigations (also known as DLI) has established itself as a leader in surveillance and private investigations. DLI has earned a strong reputation for professional integrity, investigative excellence, and technical strength.

Professional Integrity

DLI's mission is to be the undisputed full-service leader in the insurance and workers compensation investigation arena. We provide you with quality services, factual information, documentation, and timely communication at an appropriate and reasonable cost. We are committed to creating and maintaining a long-term relationship that will benefit you, our client.

DLI has been locally owned and operated by Paul Dugas and Maria Dugas since 1997. DLI is known for its handiwork, such as videotaping claimants cutting grass, painting a house, exercising and playing sports while claiming serious injuries. DLI conducts private investigations throughout southeast Louisiana. When you need unbiased, factual, accurate, and timely answers to your questions, call Paul or Maria at Dugas Legal Investigations.

Technical Strength

DLI provides high quality video surveillance which provides a clear image of the relevant activities of the subject. DLI professional equipment including: Night Vision Equipment, Covert Color "Pin Hole" cameras, Covert B & W "Pin Hole" cameras, and Hi-8 professional video cameras.

DLI only uses high quality surveillance equipment. DLI requires the use of fluid head tripods whenever possible which eliminates any jerkiness or movement of the camera and provides a nice, steady shot of the subject.

We utilize specialized surveillance vehicles that are low key, discrete and "fit in" to most neighborhoods and business environments. Our equipment, vehicles and surveillance techniques allow us to obtain evidence that would not otherwise be available.
